

Back to the Past: Time Traveler Camp

Ever wonder what it would be like to travel through time? Just like traveling to another country, there are a lot of things you would need to know about the time period you were going to visit so that you could properly prepare. In this camp we will discuss time travel theories and “travel” through time to learn the important information about some of the eras a time traveler may want to visit. Each day we will explore a different era in which we will dress in the style of the era, learn the proper slang and terminology, see what the money looked like, listen to music, watch movies, and learn necessary facts such as who the president is, major news from the era, what goods and services cost during the era, and much more! The eras we will visit include the 1920s, 1950s, 1980s, and the 2080s. What do we want?? TIME TRAVEL!!! When do we want it?? That’s IRRELEVANT!!! Let’s go **Back to the Past!!!**
